Welcome to the

Quality food, friendly service and a relaxed atmosphere
in the heart
of Halls Gap.

This year marks 40 years since Rick and Vonne bought the Kookaburra Café. We chose to keep the name and derive the logo from the gregarious bird with a distinct taste in food and a catchy laugh.

We love the quote by Sydney Smith who in the 1700s said:

“Man could direct his ways by plain reason and support his life by tasteless food, but God has given us flavour and wit and brightness and laughter ...”

We hope you get a taste of what he means as you enjoy our venue, and that you and your friends can add the wit, brightness and laughter that are so much a part of the best social experiences.

Bon appétit and cheers!

Rick, Vonne and team
